“ *I am so sorry to hear of Corky's passing. It breaks my heart. We worked together years ago. We had lots of fun. Corky was always in a good mood. She laughed and made other laugh. She was a genuine woman. I counted her as a friend. My thoughts and prayers are with all the family.* ”

“ *Wayne & family, my heart is aching as I learned of the passing of Corky. She was a long time friend of my Mother (Gladys Western Tittle) & I. She & I went to school together. Although she was a few grades ahead of me we became great friends. We had a lot of good talks & laughs on our school bus ride from Haleyville to Bear Creek. We didn't get to see each other as often as we would have liked, but when we did we picked up right where we left off. She was a beautiful person both inside and out. She will be missed by all those who knew & loved her. I pray that your many wonderful memories will give comfort in the days ahead. May God keep HIS loving arms around each of you during this sad time giving each of you peace & comfort. You all are in my thoughts & prayers. ❤️🙏*
