“ *Evelyn, I'm so sorry for you at this time. Dale was one of the best people to be around I've ever known. I can remember in high school when you needed a laugh, Dale was always the go-to person. Even at the reunion, he was cracking jokes. Dale never met a stranger and was loved by all who knew him. He will be missed and his loving happy memory will always be with us. God has received a joyful spirit! May your memories sustain you and your family as you travel the road ahead. O'Neal & I will miss him and be praying for you and your family. Much love, Sandra Miller*

“ Dale and i have to many great memories to list here. He was always a fun loving guy and loved to pull a good clean joke or prank on his friends. One particular incident always comes to mind when I think of Dale. We were still in High School and worked summers and weekends for a construction company. They sent us to Montgomery, Al. to retrieve a wrecked company truck, and we enlisted our good friend Steve williams to go with us. Using some of the expense money to buy lunch for we three amigos, landed us in Jail in Prattville, al (an old Jail that still had the "hang-mans noose".), We were placed in a cell with this old guy that was arrested for steeling pigs. We kept a close eye on him. Apparently some of the expense money was counterfiet.. Thank God we were released with no charges. This was one of lifes good experiences, and one I will keep in my heart of Dale and Steve... Our hearts go out to the family, May Dale rest in Peace with our Heavenly Father...
