“ Dana you were a wonderful caring and nurturing teacher but you were so much more than that to my boys. You truly cared and loved them as well as each and every single student who ever entered your classroom. You were one of those teachers whose impact is felt throughout the rest of their lives. You taught them about kindness, being fair, being better than they were the day before. We are all blessed to have been even the smallest part of your life. Thank you for showing my boys what class truly is. We will see you when we get there!

“ *God gave Dana so many gifts, and she definitely used them well in her time here. She was such an amazing and talented Christian woman. I appreciate all the time that Dana invested in Allison and Lisa. I am forever grateful that they had such a remarkable woman in their lives. They both have so many wonderful memories of Dana. We are all so fortunate to have known her. She was such a bright light in this world. Dana will be missed so much, but I know she is in the presence of her Lord and Savior. You all are in my thoughts and prayers continuously. Love you all!*

“ Love to you all in the days ahead. I don't have to tell you how special she was to me and so many others. I will never forget when I was leading the choir and she was playing the piano. I would say "play it again Daner" and we all laughed. God is with you.

“ Prayers from ours to your. Mrs.Baker was the type of teacher and person that words don't do justice. During a tough time for me, she always would smile in a way that let me know I could always talk to her and she seen I was trying. A motherly smile. The world lost an amazing person but heaven gained a beautiful angel!
