“ Dana was a good friend to us and a wonderful co-worker that we had when we worked at HALEYVILLE. She always met us with a smile and a joke when we needed it. She was such a joy to work with and made our work more enjoyable when we all were there working. God does take special people home and he new it was time for her to rest. It hurts to know you left us so suddenly. We miss you dearly and will always love you for brightening all our days that we had with you. Sincerely, Amy and Dan##imported-begin##Dan Pruitt and Amy Darty##imported-end##

“ Dana was a very good friend of mine, in fact I was probably her closest friend. One thing I loved about her, she always spoke her mind, you didn't have to wonder what she was thinking, she would let you know right quick. Dana loved the residents where she worked, she told me many times " if I come in to work and make on person smile or laugh, I have done my job" I will miss her so very much, she loved her children and grandchildren, they were her world. I love Dana, she will be missed.##imported-begin##Angela Martin##imported-end##
