“ Sonya and boys, so sorry to hear about your dad. Did not get a chance to know Danny really well but every time I saw him I came away thinking what a nice man he was. Very quiet and reserved. Knowing Sonya since grade school I can see how that they kinda counter ballanced each other. Got to know Jody' after he was in business and all grown up. I could see a lot of his dad in his personality Danny will be missed by all means but those men Sonja and Danny raised will always have a good part of Danny in them and theirs. Can't be there but will be in touch soon. Lol
