“ Such a sweet soul. He ment so much to me  
and I wish I would have had the chance to tell  
him.He made many of my days much better  
with just the talks we would have on the  
school Bus and how he would love for me to  
sing to him he just always knew how to make me feel special. I just  
want to say I love you Danny and thank you for being my friend.  
Also I want to say that I will be praying for all the family.Lord I want  
to ask for you to be with Danny's family and friends during this time  
and put your hands and love all around them give them peace and  
understanding and remind us all that this is not goodbye forever but  
until we meet again. In Jesus name I pray Amen
