“ My friend. My parents and Darel's parents knew each other in their youth in Alabama. Darell and I attended school in Illinois together many years. Then when we all moved back to Alabama, Darel and I attended and graduated together from Haleyville High. I cherished him as my friend from the beginning to today. One of the best people I've met in my life and even though we did not see each other often--lifetime friends are few and far between of his caliber. Shevaun, my heart breaks for you and all family. When you two first got together it was obvious the love and commitment would last through life's love and trials with joy. I'm so proud of you both. May you be lifted in special joy now having known my friend and having lifted him in joy throughout his life. Special sorrow and love to his mom and all family. There is a special place in my heart for all of you. God bless you and give you peace. Sandy Swann Nichols and family.

“ We were all young military families, lonely and far away from home, and somehow we all found our way to Merrywoods Baptist Church in Haughton La.. We became a tight bunch. Many of us lived on the Loop. We became family. You all were a big part of my life when I was in my twenties, and I thank you for such great memories. My heart is indeed broken. Darel you left this world too soon, but I know your baby girl Zara and you are having quite a reunion. Shevawn, my deepest sympathy and love to you and your family. I love you. Love, Jan (McDonald) Carr

“ Our families were very close. One Memorial Day I got home after work and went to the Riddle's house. Darel warned me that I should change my clothes..I said no and he turned the water hose on me and my business dress clothes. I did and then the water fight continued. Darel you will be missed. Shevawn, Kerry, Joshua, Joseph and Jonathan, I am thinking of all of you. Much love Audrey
