“ David was one of the only 2 cousins I have, and I have always loved him. I am very sad that he is gone, and sad that I didn't see him more than I did while he was alive. He was a very special guy, and I loved his dry sense of humor.###imported-begin##Danice Strain Miller###imported-end##

“ Dave, Of all the ways I suspected we might lose you one day, this was definitely not one of them. We joked all the time about making it to 50 and I'm kinda "mad" at you for leaving me. We had a lot of plans, like the plans we'd made to go into the same nursing home and drive everybody crazy like we did in high school. You're the one I talked to about EVERYTHING. I am going to miss you more than words could ever express. I LOVE YOU DAVE!
Your forever friend,
