“ We are so sorry to hear of Deans passing. Y'all are so much a part of our family and we love each of you very much. I know that all of you did everything possible for her during her illness. But there is only so much that we can do for our loved ones and the rest is left in Gods hands, and He always knows what's best for us. Her journey here is finished, but the joy of her eternal life has just begun..Our prayers are with the family asking the Lord to send comfort and peace to each of you....Jolene and Harold Stults
