“ Dean was one of my favorite people in the whole world! I have so many wonderful memories of doing fun things with her! We had some of the loveliest parties ate her beautiful home. She told me once that when she worked she worked hard and when she played she played hard.. I have tried to adopt that as my motto! I am so sad that I will not be able to be there with her family to celebrate the life of my Friend! I love all of you and will cherish my memories of Dean Moore for the rest of my life!
