“ *What a wonderful person Deb was. She was like a sister to me. She was always so good to me and such a wonderful aunt to my children and great aunt to my grandson. She will forever hold a special place in our hearts and we will always love her. I have some sweet, precious memories of special times and talks she and I have had over the years. I will cherish those memories for the rest of my life. I'm sad because she's not here anymore, but I'm happy for her that she's no longer in pain and never will be again. She's with her loved ones that went before her, and she'll wait there in heaven with them and the lord for the rest to join her one day. I'll miss you so much, but I'll see you again sweet friend. I can't wait to have more long talks with you, and for you to show me all around heaven.*

*Love you Deb, Kathy*
