“ *I have had so many wonderful times with Doc through the years, he was my church leader - and me and my family put him through the wringer!! I worked for the church for about 8 years as custodian. Every now and then I would get over zealous mowing (had to get that last spot) and I'd get the mower stuck - usually on a hill - usually almost tipped over! I would give him a call at work and he wouldn't even ask - he'd say "How stuck are you?" and then he'd come pull me back out. And the faces he would make when we would discuss my many adventures as a single mama! He assigned me to lead music and the whole music stand shook - and he'd just sit there and chuckle - no body could hear him but me!! He was such an inspiration and a joy. We will see him in the " Haleyville Branch in Heaven " one day and I know he'll be sitting there chuckling at all of us still!*
