“ I'm Garron Carlin Owner of *MOSSES CREEK CALLS & OUTDOORS*. Don was hunting with me when he passed. I got to know him 25 years ago due to my game call manufacturing business. We've hunted and killed many turkeys together. He passed while doing what he loved,,,,, *HUNTING THE WILD TURKEY*

I started hunting with Don and Pap about 30 years ago. He called me last week asking how a call I gave him sounded... I know I'll miss him.

“ *Some of my best memories are time spent hunting with Don. I don't think we ever had a bad hunt regardless of the outcome. May God bless and look over his family in this time of need.* ”
