“ *My Daddy was loved by so many people. He would give you the shirt off his back if you needed it. He worked as a logger up until he was in his 70s. I remember on the day I brought my son home from the hospital, my tough as nails Daddy walked up to my house carrying a huge teddy bear for my son. That boy had the ability to turn Papaw's heart to mush.*

I want to take this opportunity to thank all the nurses and staff at Russellville Health Care for loving and caring for our "Pops" for the last 2 1/2 years. It was such a blessing to my family to know that he was so precious to ya'll and so well taken care of.
