“ So sorry for yals loss. She was a sweet lady. I remember when Tracy and I was younger and we would go over to their house I always got nervous afraid I was going to do something wrong and she would get on to me for it. I am praying for u all...may the Lord wrap his arms around u all during this difficult time.

“ *I will never forget the kindness and patience Doris showed to my mother, Rooney, for all of those years when she was her care giver in Haleyville and Phil Campbell. And also for the care she gave to Josh when he was just a toddler! I never had to worry while I went off to work at college. She was by my side during a very difficult period in my life, but then shared my life with Stewart and our daughter, Christine. She was so proud of all of her children, grandchildren, and great-grandchildren and we enjoyed our visits in her home after we moved to Kentucky. She was my friend and I will miss her very much. I will always remember her and can still hear her voice when she answered the phone with her greeting, "Jesus loves you." What a wonderful memory!*
