“ I sure didn't know all there was about Dorothy but being one of Marty's friends made me special and seemingly always invited, especially to eat! She was very sweet and we could all learn a lesson about love from her life!

“ I always looked forward to going to Alabama and eating at the restaurant. Dorothy made the best chocolate pie (my favorite). Usually put on a few extra pounds while there and then had to work hard to get them off when I got home. The best times were spent sitting around the kitchen table or living room listening to all the stories. She was a Great Lady and will be missed by all.

“ *Sammy & Marty, I Am Sending my sympathies for the loss of your mother. After the sad prayers have been said and the comforting words have been spoken, know that I am still here for you, my dear friend. Her legacy lives on in you. I'm so sorry that you've lost someone who you and your family loved so much. I'm sure you made your mother so proud; I'm sorry her light is gone from your life. You've experienced such a huge loss in saying goodbye to your mother. Sammy your mother was a rare and beautiful soul, and we feel so blessed to have known her. Condolences to you and your loved ones during this time of grief. I'm deeply sorry to hear about your recent loss. It is written in John 14:1-4 Jesus Christ said Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also. And whither I go ye know, and the way ye know.*
