“ *So sorry for the loss of your daddy. His life and accomplishments are evident through the children he raised. I know he was so proud of all of you. We may fool the world but we will never fool our own children as to who we are and what we stand for. I know he made many sacrifices throughout his life because of his love for his family. May God grant you peace during this time of loss. He truly made a difference in the lives of those he loved most.*

“ Ed was such a good friend to my brother. They would go to see the Mennonites together pretty often. After Wallace died, I told Ed that I had always wanted to go up there so he took me. We had a good time that day and he never knew how much that trip meant to me. He would introduce me to all the people he and Wallace would visit or do business with. The Millsap family thought a lot of Ed and I'm sure he will be missed by many. My thoughts and prayers are with Don, Mike and the rest of the family.
