“ I was browsing the Oak Ridger newspaper and sadly came across Ms. McNutt's obituary. She was my 6th grade teacher at Pine Valley Elementary School back in the 1950s. In all my years in school, Miss McNutt was my favorite teacher. I always wondered where she was all those years after I grew up and learned that she was in Gatlinburg. My condolences to all her family. She will be fondly remembered in my heart.##imported-begin##Lois Thurston##imported-end##

“ I was sorry to read about the loss of Mrs. McNutt. She worked with me and my parents when we moved to Oak Ridge from the Bronx NY in 1973. I was in 8th grade at Jefferson Jr HS. She was a very kind person, and I have fond memories of her. I believe she was a volunteer at the hospital too..... I am sorry for your loss and may all the memories give you comfort while you mourn.##imported-begin##Vicky Phillips Marrow ##imported-end##

“ 5.4.13 I am a recently retired teacher from Oak Ridge Schools. From when I started in the Jefferson Jr. High Band position in 1980, Edna proved to be a true friend and encourager to me during her last few years as a guidance counselor. She loved the fact that so many kids learned to play instruments at Jefferson. You already know about this special lady whose life many people appreciated. “ Miss McNutt was my 6th grade teacher in 1962. She was such a sweet, loving woman who made a great impact on my life. I ran into her again in the winter of 1986 when my Sunday School class was in Gatlinburg for a retreat. I was so very surprised and happy to see her when I picked up clean towels at the office of the chalet where we stayed. She was a sweetheart and I consider it a great privilege to have known her. I will be praying for your family during this time.##imported-begin##Debbie Bryant Sutton##imported-end##
