“ *Elbert always treated my son , Kenneth Arnold, like his own grandson, when I was married to his son, Todd Cagle. My son loved Elbert so much, I remember one time Kenny was in the bathroom the night before picture day for school and he was trying to shave his head to be like Elbert. Todd and I had to rush him down to Haleyville because he wanted his " grandpa" to take him for a haircut. Thank you for loving my son as your grandchild.*
