“ *My beautiful mother! She was a one of a kind. She not only was her own self, ahead of her time-adventurous, fun loving, all family oriented, smart and strong woman- always there for ALL of her family, she also was grounded in the old ways. To be so hip and modern she believed in God, hard work, growing up with morals, sense of family, loyalty, decency, and old is to be treasured. I can live my life knowing she taught me and showed me how to be in this world until I make it to the next. I Love You Mom...*
