“ I've known this sweet Christian lady for many years since she spent much of her life living and working in Haleyville and surrounding areas and worshipping together at Ninth Avenue Church of Christ. We grew closer as we were part of a " team teaching" of 3rd and 4th grade there. Then we worked together with the American Cancer Society fund-raising including Haleyville's own Hee Haw show, which was a lot of fun. She also served on the Winston County board of directors. As we aged and worked on projects together, we became "bestest friends", a position that neither took lightly. I will miss our almost nightly chats but know she is at peace and pain-free. Prayers for her precious children Linda and Tommy and all the family. It's not goodbye but "See you later."

I was very sorry & sad to hear of Eloise passing away. I got to know her thru her Daughter Sylvia who was one of my best friends & we shared some really great times together such as The Country Music Awards in Nashville, enjoying dinner & Playing cards at her Daughter Sylvia's home in Ft Lauderdale & hearing Eloise tell stories in her Alabama twang. To me; I saw Eloise as very caring, simple, strong willed, independent, feisty woman who could " TELL YOU HOW THE COW ATE THE CABBAGE" so to speak. Her Daughter Sylvia; my dear friend passed away in 2004; but Eloise & I maintained a long distance friendship thru out years until her heath & mind started failing her. I know Eloise is w/ Sylvia in heaven making black eyed peas & the fixings.

Eloise, give Sylvia a hug for me....Love,

Peggy, Eloise took great comfort in your friendship with Sylvia...and your care of her when she was living and your care of her gravesite after her death. She lived hearing from you and seeing picture you made. Prayers you have a good life.
