“ She was the best role model for my children, (her Grandchildren) that I could have hoped and prayed for. She was the most kindest, Loving, caring, understanding, loyal, God fearing, Jesus loving woman I have ever known. I Loved her and we all knew she loved us too. She not only told us but showed us how much she loved us. She will be missed by all her knew her. I will always remember her kind and gentle personality. 💔💔💔🥹💔💔

“ When you see the Faith of her son and the battles he has overcome with his health you know he was taught well by his mother to trust in God, Jesus Christ and the Holy Spirit to carry you through all of life’s storms. I am sure she would say to her son, grandchildren, great grandchildren and the rest of her family and friends, “ Trust your life and soul in the hands of God your Father, God your Savior Jesus Christ and your God the Comforter to carry you through all things so Heaven can be your home.” May God’s loving comfort bring your family peace!!!
