“ *What a loss of a very special member of our community!!! Mrs. Caldwell always wore a smile and was seen often supporting her Grandchildren in different HCS events that they participated in. I chose the yellow candle because she was such a sunshine to many. Love & prayers* ❤️🙏❤️

“ While I was so very sorry to hear of her passing I can only smile when I think of my sweet friend. Erlene had a true servants heart. She quietly gave so much to our church, family and friends. I smile as I write this while remembering things like how distressed she was when Max Factor discontinued Pan Stick Makeup! She and John were the cutest and classiest couple! They dressed young, acted young, loved living life. She made me laugh. Loved hearing her tell about getting the best of a would've been intruder one night. Enjoyed sharing one on one time with her as we spent days in earlier years polishing and cleaning around the church. I admired so much about Erlene with the devotion to her family being tops. She was the friend you knew was there when time would pass between hugs and talking. She called me Doll. I will miss hearing her say that. She was an original. Godspeed my friend.
