“ *How I loved this woman! So many memories there is no way to begin. My second momma. I will miss her laughter, hearing her say well hey Marie or hey Ree. Her home was my home away from home. Etheleen was a great woman of God, she loved and lived life always with the lord's message in her heart and I know she was welcomed with his arms wide open when she reached heavens gates. I will miss you until it's time for me to travel my last journey. Forever momma too*

“ *Ethelene was one of the sweetest persons that I have ever known. She could make you laugh when you least expected it. She loved her family. She loved her church family. I was able to go visit her, on 10/25/21, that afternoon for a while. Due to the pandemic & multiple health issues, I missed many months of getting to see her, so that afternoon was special. I will always cherish it. Heaven gained a wonderful & sweet spirit. She will be greatly missed.*
