“ I met Mr. Riddle while I worked at LouAllen Farms. He was a regular customer and was one I looked forward to seeing and helping. One day I had one of my sons with me. My sons name is Jesse and he has downs syndrome. Jesse noticed him right away. And was telling me he liked pawpaws hat. It was a gray camouflage fedora. Mr. Riddle heard him and took his hat off his head and gave it to Jesse. I was so touched by his kindness. When he came in to the farm he always asked about Jesse and how he was doing. Several months later he came in and I was off that day. He left a cap he had bought for me to give Jesse, it was a batman cap. Jesse remembers pawpaw and to this day he loves the hats pawpaw gave him. Mr. Riddle had my heart long before the kindness he showed my son. He surely was a special man..we will miss him. As I know all of his family and friends will also..

“ Our prayers are with Ann and Rex and family during this difficult time. I don't think I know of a closer knit family. Junior was precious to our family through his aunt and loved him as family. I appreciate his love for Christ and know he is walking with Jesus now. Although we are so many miles away, know that our thoughts and prayers are hugging you now. Love you all....Randy and Lois Denson

“ I am so very thankful to have had the opportunity to be in church with Jr for a huge part of my life. He was always a joy and always had a story or “funny” to tell. I will miss him very much but I'm sure he's shouting and running on those streets of gold. Praying for Ann, Rex, Dana, Josh and Brittany.
