“ *My uncle Eugene Cochran was a special person in my life. We had the same birthday and got to celebrate our birthday with the rest of the family. We all got together at my Mamaw's house on Sundays and had birthday cake! He always had a smile on his face and a good sense of humor. He was a special part of our family and I will always admire his Christian example. I and the rest of the family will miss him. With love, David McNutt*

“ *Eugene my dear brother in law was very special to me and my boys. No matter how bad he was feeling he would always joke with me and I'm sure everyone else. Eugene was a fighter. He fought and won two bouts with cancer and a terrible case of shingles for almost a year. He always said that things will be better some day and pointed toward heaven. I know he is there now. Thank you Gene for some happy memories, which we all will treasure. Your "sister " Iva McNutt*
