To the family of Eugene King. I didn't know Eugene real well but know he loved my grandparents Rosa King & John Marion Hood and all their children, including my Mom Lola Hood Ergle. We, Mom and I having breakfast out would run into Eugene and end up having breakfast together. When he could still drive he came to visit Mom frequently. We have missed seeing him the last couple of years. RIP Eugene King, I loved hearing your stories. Mom and I talked about you often, especially when we were having breakfast.
