“ *I worked with Mrs. Barber at NWASJC back in 1974-1976. I was a student as well and she was always so helpful in her duties. I felt that I could talk to her anytime. When things would get tough going to school and working at the same time, she was always there to give you a word of encouragement. I will forever remember her as a friend and a mentor. My prayers are with the family. God Bless.*
