“ To the Ward & Pickard Families, I graduated at PHS in 1969, so I had many opportunities to get to know Fayrene; she always had a sweet smile and time to say hello and wish us a happy day. She & her staff always prepared good meals. As I got older, I had opportunities to get to know & love some of her family members. I pray that God keeps HIS loving arms around each of you giving you strength, peace, & comfort during this sad & difficult time; I recently lost my precious husband so I can identify with the grieving you are having. Just remember that God is good and HE does take care of us. ❤️🙏
