“ To the family of Fernwood,

*Please accept my sincer condolences on your loss. As one who grew up in Shelby with Fernwood, and attended Shelby High School with him, I always remembered Fernwood as a good-natured gentleman. Although we lost track of each over when we left Shelby, I have always fondly remembered him, through the miracle of memory. I hope Juanita will show you an email I wrote her about how memories can help relieve the pain at a time like this.*

*"Memory is a Gift of God  
"That Death Cannot Destroy!"*

*That is an inscription on the tomb of my Granddaddy Jess Davis's sister, Zylpha Davis Dupree, which I have always remembered.*

*As you think back on your loving memories of Fernwoodk, I feel sure you will feel the same way.*

*The love and power of Fernwood's undying memories will always be there for you, eternal and everlasting, invincible and eternal, endless and indestrutible.*

*Think, please, on these thingsk during this time of your great bereavement.*

“ I was saddened to learn of Fernwood's death. He and I graduated  
from Shelby County High School in Columbiana, Alabama together  
in 1954. I have many very good memories of him and his knack for  
keeping everyone laughing.

Betty, Fern and all other family members, I offer you my sincere  
sympathy and condolences.##imported-begin##Hylott L. Armstrong,
