“*Mr. Floyd was a super guy. We always looked forward to spending a few minutes with him when he came to pick up our weekly work in Lewisburg, TN. He always had a joke to tell and kept us laughing. He shared many stories with us about his banking career as well as his fishing! So sorry for the loss of this great person. Many prayers for the family.*

“*Mr. Floyd was the nicest person. We work for CB& S Bank in Huntsville. He always had a smile and a funny story to tell. We were always joking and laughing about something. He loved to fish and didn't mind telling you all about the "big one that got away". He also loved his church family and spoke of their church activities often. He will truly be missed. Prayers for the family in your time of loss. I hope Jesus enjoys all the stories as much as we did.*

“ So very sorry about the loss of Floyd. He was a great and wonderful man and will be greatly missed by all who knew him. He was a very kind, generous and jolly person. Always willing to help. I will always cherish him as a fellow worker and friend. He also was a good fisherman always telling me a fishing story. He would always come to our lake house and help me with our annual fish fry. He knew how to cook those fish. May God richly bless you with his love, peace and comfort at this sad time. you will continue to be in our thoughts and prayers.

God Bless,

“ I have known Floyd and family for many years. My son married his daughter Tammy. Floyd was one of the few men I saw cry at a wedding. He was losing a daughter. He gained a son and two grandchildren, John Michael and Emily (Emmy) Gorum. Floyd was a good man, funny, helpful and a friend for life. My husband Don Blake has never forgotten the first time he met him Floyd came to the Lake with Crappie he had caught. The Crappie and Hush Puppies have never been forgotten.

We have all lost a wonderful man but his memories will remain forever. Love you and will think of you forever.
