“ Was friends with Fred in the early 70's. I don't remember much about the early 70's but I do remember the good times I had with Fred, Wayne and "Killer". I left Winston in 73 and moved back in 2000. Kept meaning to go see Fred. Even got his number but never called. I have known many people over the years and I can honestly say he was "one of a kind"
