“ *You may be gone but never forgotten you will always be in or thought's LOVE YOU "FRIDDY"*

you yesterday and days before that too. I think of you in silence. I often speak your name. All I have are memories and a picture in frame. Your memory is a keepsake, from which I will never part. God has you in his arms. I have you in my heart...

Still you follow from the family tree.  
I keep hearing a voice that says, "Believe not for me,  
Remember the best times, the laughter, the song,  
The good life I had while I was strong.  
Continue my heritage, I'm counting on you.  
Keep smiling and surely the sun will shine through.  
My mind is at ease, my soul is at rest.  
Remembering all, how I truly was blessed.  
Continue traditions, no matter how small.  
So on with your life, don't worry about life.  
I miss you all dearly, so keep up your side.  
Still the day comes we're together again.
