“ Dear Eugene and Hulse Family
Dianne and I would like to extend our Deepest Sympathy at the passing of your wife/mother. Aunt Frieda was a wonderful person who gave so much of herself to her family. I will always remember her for inviting us to Palm Sunday dinner. She was always very good to me, especially when I was at her home. She always treated me like part of the family. She had a wonderful sense of humor and a great smile. She always called me by my full first name (Vincent) I liked that. We will always think of her especially at Palm Sunday dinners. She will be greatly missed but she left behind a lasting Legacy we will never forget. May she Rest in Peace. With all our Love. Vincent and Linda Dianne Hernandez and Family.
