“ *I first met Flatt when I was working for Tidwell ind. We soon became  
great friends I would work nights for him later I started full time for 8  
yrs. We laughed a lot and argued a little like everyone who spends  
that much time together I remember in 1993 our home burnt we lost  
everything immediately Flatt pulled his checkbook and handed me a  
check and told me to go buy my children a television that warmed  
our hearts to have a friend like that I grew very fond of the entire  
family and they made me feel like family he will be dearly missed by  
all R. I. P. my friend till we meet again*
