“ I was truly saddened to hear about George. I had know George for over forty-five years since I first went to work on the Alabama Division of Southern Railway. I would have attended his services if I had know of his passing. I got a weird feeling Sunday morning and called his home to check on him, when there was no answer I knew something had happended, so I called Jerry Heck and told me that George had passed away. George was a true Christian and he loved the Lord and his family. My prayers are with his family at this difficult time.##imported-begin##Robert W. "Bob" Bentley##imported-end##
