“ Gerald was my sweet, kind cool uncle! He was 12 years older than me and sometimes felt like he was my older brother, I live with my mom Rebecca in my Grandparents Ruby and Leslie and Gerald's home while my Dad John Sr was in Korea and my mom finished her college degree. Gerald love the nephews and nieces and he would take us for root beer floats in his Jeep and he liked to make us tole house cookies and watch movies. He was an avid photographer and we have wonderful pictures of us growing up that many don't have, he even had his own dark room!!! He was a basketball player in high school and I remember attending his games! We had a lot in common, we loved gardening and sharing plants, I always hated that we did not live closer together so we could work together, having fun exploring our hobbies!!! We also shared a love of genealogy and researching our families together. I never saw Gerald raise his voice to anyone or lose his temper, around me he was a gentle man, a gentleman in every sense of the word!!! I will miss him dearly!!!!
