“ Geraldine, I miss you so much already. I know when Bobby was sick & Clemon, then you got sick & I would come up there to sit with y'all helping out anyway we could. I remember when we didn't have a vehicle & I got sick back last year, you took Clemon back & forth to Princeton hospital to stay with me. You even spent the night a time or two so we all could be together. Of course, we still don't have a very reliable vehicle, & you had planned on taking me to my dermatology appt. on the 27th & then you got sick, & on the 25th of August we heard the shocking news. Geraldine you had the heart of a saint, would do anything for anybody, & I was always trying to tell you to slow down. You & Bobby meant the world to me. i have been married to your little brother for 44 years & I felt that we were closer than in-laws. I'll always miss you & love you. Rest in peace, Geraldine, in the sweet arms of Jesus. Your sister-in-law, Renee.

“ I'm going to miss Geraldine. She was a very special aunt. We had really gotten close over the years, we worked together at Amerigas for years. Me and my Bobby and her and her Bobby which was my uncle and my Bobbys close friend would go out and eat or just loafer. We had really gotten even closer the last two years when she lost her husband then three and half months later I lost mine unexpectedly. Geraldine would do anything in the world for anyone and loved everyone. She's back with her Bobby now and rejoicing. Mike I am so sorry for you and your family. Take comfort in knowing you had a very special mother. I love her and will miss her so much. Fly high Geraldine
