“ *William:*

*I just heard of your Mothers passing and wanted to say "I am so very sorry for your loss".*

*She was always so sweet to me when I would go and visit Mother (Jo Bolton). Her being there and being moms roommate helped my Mother so much during her short stay at Cypress cove.*

*I know it hurts and I wish I could say something to make it all go away but I can't. Just know that I am praying for you and thinking of you.*

*Amos & Meredith already know and I will be sure and let the rest of my family know. Please accept my condolences on behalf of our entire family.*

*Thoughts and prayers will be with you daily.*

“ William and Freddie, I'm very sorry to hear about your Mom. I've thought of you both a lot as I have gotten older. I remember so many wonderful times we as children had together with all the other Waco kids. We went down the road Sunday where you lived as children and I remembered so many happy times. Your Mom is in a better place than us and you know she is ok. God Bless you both##imported-begin##Bernell Rickmon Caldwell##imported-end##
