“ To the family, we are so sorry for your loss. I have known Gladys all my life, and in all those years I have known only good to come from her. I have also been blessed to live just across the road from her for the past 30 years and she has been the best neighbor anyone could ask for. She was truly a special person. Always had a smile and something good to say about others. She will be missed by so many that knew her. May God speak peace to your hearts and bring you comfort to get you through the days ahead.. We love each of you..... Jolene and Harold Stults
