

## Glenda Jean Richardson

August 5, 1960 - October 14, 2025

It is with profound sadness and loving remembrance that we announce the passing of our beloved mother, Glenda Richardson, who passed away on October 14, 2025, at the age of 65.

Born in Tuscumbia, Alabama, to Robert and Christine Burks, Glenda was the cherished mother of John-David and Maggie Richardson. She was known for her unwavering strength, love, resilience — and the best homemade biscuits you'd ever have.

Glenda is survived by her children, Maggie and John-David, her daughter-in-law, Emily, and her stepmother, Shelby Burks. She was preceded in death by her father, Robert Burks; her mother, Christine Coan Burks; and her mother-in-law, Carline Richardson.

There will not be a public ceremony or services, but we encourage you to honor her life in the way that feels best for you. Share stories, celebrate her life, and find comfort in your friends and family. As she will be cremated, in lieu of flowers, the family requests that donations be sent to SafePlace of Northwest Alabama, to help women and families in need of escaping domestic violence.

We find solace in knowing that our mother is now at peace, surrounded by the

love she gave to us all, and the unwavering courage and strength that defined her every moment.

“ *So very sorry to hear of Gkenda's passing. I've known Glenda since she was a young girl when her parents were bringing her to Skateland skating. Then losing touch for several years. Then after my mom moved to the apartments, Glenda lived down the hallway. Mom enjoyed talking with Glenda and sharing plates when each of them cooked big meals. Mom would always tell me how good a cook Glenda was. RIP Glenda, your family will miss you.* 😊
