“ My heart goes out to the family and friends of Glora Arthur. Gloria was a very interesting lady and she was always so nice to me and my daughter from the very first time we met. I remember her giving my daughter, who was around 7 years old at the time, gold dollar coins. We still have them in a special pouch with a note about who they're from. ❤️ And she would let her tinker with things and she didn't seem to mind one bit. She was just a lovely person.

My husband and I met Gloria right after we moved to Decatur from Germany when we discovered Bank Street Antiques. The store was a wonderful place because she was there. We spent many a happy day briefing the nooks and corners of that old store but to be truly honest it was Gloria that made the experience so joyful. She sponsored our home for our first Decatur Christmas Tour of Homes. We have many a treasure in our home that Gloria helped us find. She was such a kind and sweet lady and we will miss her very much. Our deepest condolences to her family. GOD Bless. BJ and Michael Wascom.
