“ Dwain and Dennis, I have great memories of Grady when we were growing up. I almost lived in Belgreen every summer with Margaret and Grady and you two. Grady was a second Dad to me and we all learned so many things from him. Grady was truly A VERY SPECIAL MAN. I found out about his passing last night in the Tri Cities Paper. I would have been there if I had known sooner. I saw Grady at my moms funeral. The Hargetts sure live a full life. I'm thinking of Ya'll and your families.
