Tal came to mind today. I dont know why. He & my husband, Hoot, worked together in Atsugi Japan in 69-71. We lost touch and I'm sad to discover that he died in Jan, but so happy to watch this video and see what a wonderful life he lived & the many people who lived him. We have many fond memories of Tal & our 3 years together.

I loved my father and I am happy that I knew him for 60 years. It is sad that my brother Anthony (Deceased) and I were left out of everything. But we loved our father with all our hearts.
