“ I wish i could HUG MY DAD just one more time , and take one more walk and listen to whatever came to his mind. I would cherish each word and build a an everlasting wall that could be sent to him on ANGEL WINGS so he could see them all;.....MY DAD passed away on FEB.2nd 2017 and MY MOTHER passed away JUNE 2 2017 four months to the day. My MOTHER "LOVED" MY DAD till the day she died., and MY DAD never spoke any ill words about MY MOM to me or around me. MY PRAYER TO OUR HEAVENLY FATHER and for those who may never understand when I say "I hope that what could never be worked out between them here on this can now be worked out and be FORGIVEN before GOD.....SHERRI YOUR LOVING DAUGHTER WHO MISSES YOU BOTH EVERY MOMENT!

“ Many will say that Green's smile is what defined him, and I certainly agree with that. But what I remember most about Green is the love he had for my Sister Earlene - or as he would call her - "Arlene"!!! They were inseparable in life, and she was with him till the end!!! A great love story for sure, and one that will live on in the memories Earlene will recall over the years!! Green loved having all of us around him, and I will cherish the last visit I had where I have pictures of him making faces, giving hugs, and of course smiling the way he always did.... Rest in peace my brother and know that you are loved so very much, and will be greatly missed by all those who were blessed to know you!!

Love,
Rose

“ Prayers for comfort for all the family going up today. While miles and circumstances may prevent us being together to say good bye to Green, please know that you are each in my thoughts and heart today. I will always remember the smile on his face. .Love to all.
