“ I grieve almost as much for myself as I do for my dear cousins Barney and Gail. We were children together in church and at family gatherings, where Aunt Guy's cooking always stood out among many great country cooks.

Aunt Guy has brought me nothing but joy since I was a small child, standing at her elbow while she cooked, or sitting beside her on the piano bench while she played and sang hymns. When I was older, I joined her in singing. I think the one we sang together most often was 'In The Garden Alone'.

She leaves a legacy of love and kindness and generosity that will live in the hearts of those who knew and loved her.

“ So sorry Gail and family. Guyuna was one of a kind! If I ever hear “homemaker” I think of her. She helped me so much when I was working. And she always had a smile on her face. That’s what I will remember most!
