“ Hank was a great employee who became a close friend he always went above and beyond when it came to his job. He would always tell me what a good job I was doing after I became manager and I'd tell him I couldn't do it without him and he'd say woman take a compliment and I'd say I am but it's the truth I couldn't! He could always make you smile and laugh he definitely made my life a little brighter but the one thing I will never forget and forever love him for was when I lost my twin sister and my momma 3 days apart there wasn't a day went by that he didn't call or text me and check on me that meant more to me than he ever knew! I already miss his smiling face so much! Fly high my friend! Praying for his family
