*My thoughts and prayers are with you all. You don't know me but I shop in Walmart frequently. I met your precious daughter and she has checked me out often. She has touched my heart from the beginning. I often had one or more grandchildren with me and she was so sweet to them. They loved her especially my granddaughter. When she was with me she insisted that Hannah checked us out. I know you are so proud of her and you should be. She was one of the sweetest, most precious people I have ever met. I will miss her beautiful smiling face. "Therefore you now have sorrow; but I will see you again and your heart will rejoice, and your joy no one will take from you."
