“ *Harlee was truly one of a kind, the grace and strength she showed us all was truly amazing. And God knew what he was doing when he made Suzanne and Eric her parents. They did everything they knew to do for her and carried her everywhere they thought could help. Suzanne made it her lifes mission to take care of her without any hesitation. Her dad was waiting on her. So go in peace and pain free out sweet Harlee.*

“ *Deepest sympathy for the family. I have been inspired by all the lives she has touched. I'm so glad I was able to tell her this just a few weeks back. She really has been a beauty and joy to follow and read about her accomplishments over the years. I wish that I had known her better and not just in briefly passing circles. She will be missed by those she was close to and those like me who barely knew her. I know that she worshipping in Heaven now and that I look forward to worshipping alongside her one day.* ”
