Harold never forgot his Mo. cousins, he was always here for reunions and funerals.

He will be greatly missed as he has changed his address. We will have a great reunion day in the future.

“ *I have know Harold since he graduated from high school. He was raised by the finest parents and he emulated in his life their raising. We have been fellow employees, business partners and fellow purchasing agents which is a group with few members. He was a kind and gentleman. I look forward to the heavenly version of Burley wholesale.*
